

LOCATION:

Danvers, MA

CLIENT:

Town of Davers

Traffic Solutions was retained by the Town of Danvers to design a parking lot on the town-owned parcel located on the corner of Hobart Street and Charter Street. The project included parking lot layout, grading design, stormwater treatment, and pavement design as well as designing pedestrian accommodations surrounding the parcel.

PROJECT TYPE:

Parking Lot Construction

PROJECT SUMMARY:

- Stormwater Treatment
- Grading
- ADA/AAB Pedestrian Accommodations
